## When the Kidneys Fail

Barre People Have Found That Ill Health Quickly Follows.

Do you ever feel that you simply can't go any further—that you must have relief from that lame and aching back—relief from that constant, dead-tired feeling—relief from those stabbing, darting pains? Likely your kidneys are worn and tired and need help. The kidneys work night and day, removing uric acid from the blood and other waste created by exercise of strength and energy. Naturally a life of unusual activity doubles the duties of the kidneys and in time the strain tells. Doan's Kidney Pills have brought new strength to thousands of bad backs and quick relief to weakened kidneys. Let them do the same for you. Convincing proof in Barre testimony.

C. P. Peake, 47 Elm St., Barre, Vt., says: "I have used Doan's Kidney Pills and consider them an excellent kidney and backache remedy. My back ached and pained and aching it was hard for me to straighten. The kidney secretions were unnatural and irregular in passage. Doan's Kidney Pills brought me prompt and lasting relief." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

**A CARD**

We, the undersigned, do hereby agree to refund the money on a 50-cent bottle of Green's Kidney Syrup of Tax if it fails to cure your cough or cold. We also guarantee a 25-cent bottle to prove satisfactory, or money refunded.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and the foundation of the disease, and destroying the bacteria which are the cause of the disease. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

## ABOUT THE STATE

Happenings of Interest From Different Sections.

Five 50-pound tubs of butter were stolen from the Shelburne creamery on Friday night.

Approximately six miles of sidewalk are said to be needed at Brattleboro and \$16,000 is needed to lay the walks.

The Vermont Marble company has sent 33 quarry workers from West Rutland to Seattle, Wash., and Alaska.

George Shaw, a gypsy, and two women were arrested Friday in Clarendon on the request of Bennington county authorities. They are charged with stealing jewelry at Sandgate.

Rev. Sidney Aldrich, who has preached at the Baptist church at East Hardwick for the last two Sundays, has been given a call to become pastor of that church and will begin his labors soon.

With a handcar and an ambulance, D. & H. section hands brought Charles W. Campbell of West Rutland to his home, Friday afternoon, after he had fallen near Castleton, from a load of wood, dislocated his shoulder and otherwise injured himself.

The trustees of the projected hospital at Bellows Falls held a meeting recently but no action was taken looking toward immediate opening of an institution. Lack of ability to find a suitable building to rent, and inability of the doctors of the locality to agree are among the elements which contribute to the delay.

A suit for \$4,000 has been brought by the village of Brattleboro against the Connecticut River Power company. The suit complains that the village has been put to great expense because of the dam constructed at Vernon by the company, thereby causing the water to set back and choke the sewer, preventing it from discharging and rendering it valueless.

The Rutland police have been notified to be on the lookout for Hugh Keefe of Rutland, who was sent last fall to the state hospital at Waterbury, for observation as to his sanity after he had held up three Rutland women at the point of a revolver, demanding money and had robbed the house of G. H. Charland. Keefe escaped from the institution last Thursday. There is no clue as to his whereabouts.

E. S. Robinson, carrier on rural route No. 1, from Morrisville, completed a ten years' service after his drive last Wednesday, February 14, having begun driving the route ten years ago February 15. During the first five years Mr. Robinson handled 237,180 pieces of mail, made 1,402 trips and drove 31,262 miles. During the last five years he handled 264,133 pieces of mail, made 1,454 trips and a distance of 31,262 miles. During the ten years of his service he has handled a total of 501,333 pieces of mail, made 2,916 trips and driven 62,694 miles. Mr. Robinson's chestnut pony "Jane" has averaged to make every other trip during the ten years, or a distance of 31,347 miles.

Their 40th Wedding Anniversary.

Dr. and Mrs. W. E. Mann of Barre were in Brattleboro last week attending the 40th wedding anniversary of the doctor's parents. The Brattleboro Phoenix tells of the event as follows:

Mr. and Mrs. F. R. Mann were given a surprise last Friday evening that was genuine without the slightest reservation. Their 40th wedding anniversary occurred Wednesday, but owing to the church meeting no attempt was made at an observation that day. Last Friday evening they were invited to tea in the home of their son and wife, Mr. and Mrs. J. E. Mann of Spruce street. During the evening Mr. and Mrs. Mann were summoned to the front door, where, to their astonishment, they found in waiting a procession of about 60 friends and relatives headed by their son and wife. Dr. and Mrs. W. E. Mann of Barre, whose presence was a secret to the parents up to this time. Mr. and Mrs. Mann were showered with congratulations and good wishes. The evening was spent delightfully. The worthy couple were the recipients of many handsome gifts, including cut glass, silver, china, confectionery, fancy work and a profusion of beautiful flowers, including a bouquet of roses from their grandniece, little Miss Ethel Lawton, and 40 pink carnations.

Mr. and Mrs. Chauvin have had an opportunity to watch the growth of many improvements, there being no railroad in Vermont at the time they came here from Canada and only one in Canada, the rails of the latter being made of wood. There was of course, no telegraph or telephone, no electric lights or electric cars.

**KNOX TO REPLY.**

Prepares to Answer the Columbian Minister.

Washington, Feb. 20.—Secretary Knox is expected to make a personal reply to the letter of the Columbian minister, Pedro de Ospina, declaring that his proposed visit to the United States of Columbia would be inopportune. Mr. Knox is now at Palm Beach. At the state department, it was said, yesterday, that no changes had been made in Mr. Knox's proposed itinerary as a result of Senator Ospina's action.
